Product Description

Dens and home gyms are all great places for a compact refrigerator, providing cool drinks and much-needed snacks at an arm's reach. Don't forget about the office - save time by keeping a compact refrigerator at your desk instead of running out every day for sodas or snacks. The cabinet has 2 slide-out wire shelves, perfect for munchies, fruit, and vegetables. The door has 2 shelves as well, and can store 2-liter bottles for your convenience. The thermostat is adjustable so you can choose the cool that's best for you. Best of all, this little unit has a half-width freezer so you can tuck away some frozen treats, and keep ice on hand as well. This compact refrigerator is cute, convenient, and a great addition to any home. Not Available for APO and FPO Shipping
