Product Features

- Half-width freezer compartment with ice cube tray
- Full-width slide-out wire shelf
- Full-width and half-width door storage shelf
- 2-liter bottle door storage
- Recessed door handle

Product Description

Compact Refrigerator in black has a compact size that's ideal for dorm rooms and bar units. Constructed from wire for ventilation and easy visibility, the refrigerator's full-width interior shelf offers great storage support and slides out for easy access. The refrigerator's adjustable thermostat makes it easy to find and set the right temperature for your food. Its half-width freezer compartment has an ice cube tray for your convenience.

Customer Reviews

Haier HCR17B Refrigerator/Freezer, 1.7-Foot Cubic, Black rated 5.0/5.0 based on 1 ratings 1 reviews

2012-01-12T21:54:48+00:00 **Blue Flamingo** rated 5.0/5.0:

At first I was a little skeptical of the Haier brand due to issues with other units but this one isn't so

bad. It gets cold and on the coldest setting I've actually managed to freeze some of the stuff I put in it without putting it in the little freezer compartment and if you want more room just remove the freezer compartment. Good deal for the price.
